OAuth School   Exercises   Start Over

Getting Started

✅ You have completed this exercise!

Great! You've found the authorization and token endpoints!

Issuer URL

https://dev-qrtywprp7seonf0k.us.auth0.com/"

We'll save the issuer URL to use it when checking your work in the following exercises

Authorization Endpoint

https://dev-qrtywprp7seonf0k.us.auth0.com/authorize

Find your server's authorization endpoint and enter it here

Token Endpoint

https://dev-qrtywprp7seonf0k.us.auth0.com/oauth/token

Find your server's token endpoint and enter it here

Continue

Instructions   Submission   Instructor example   **Give feedback**

Give feedback to 3 other students

Reflecting on other students' work is likely to increase your own understanding

✓

Congratulations, you're the first student to complete this assignment

There are no other student submissions to review at this time, but you can check
back later if you'd like to help other students with what you've learned on this
assignment.
